- 25X1X
1. [REDACTED] economic planning for 1947 in Land Saxony includes production in artisans' shops (Handwerksbetriebe).
 2. In this connection, about 1 January 1947 "several hundred" artisans' cooperatives were founded in Land Saxony. The Land Administration gives each cooperative its production quota, which lists detailed descriptions of the goods to be produced.

This document contains information affecting the national defense of the United States within the meaning of the Espionage Act, 50 U.S.C. §1 and §2, as amended. Its transmission or the revelation of its contents in any manner to an unauthorized person is prohibited by law.

This document is hereby regraded to CONFIDENTIAL in accordance with the letter of 13 October 1973 from the Director of Central Intelligence to the Archivist of the United States.
